### Music at the Market - July 28th

Food and music have a way of bringing people together and therefore music and farmers markets go hand in hand. This Tuesday, the Market is excited to welcome our first music event of the season!

Join us for an afternoon of entertainment by **The Merrymakers**. This family band from Eastern Lewis County plays mountain/old timey music that is sure to get your feet tapping and hands clapping. Instruments include guitar, fiddle, flute, and hammered dulcimer. In between music sets the family will demonstrate a festive form of folk dancing.... And welcome others to join them!

**Music starts at 12:30 and we can't wait to see you there.**

### Kid's Day Success

Thank you to all the kids and families that joined us on July 21st for the first Kid's Day at the Market event. Despite the warm day, kids of all ages took part in the pottery workshop, yoga, sidewalk art contest, coloring contests, seed planting, face painting, cherry pit spitting, and cupcake decorating! We look forward to continuing this new tradition and helping to teach the next generation about the benefits of eating fresh and buying local!

A special thank you to SW WA Family Magazine, Lewis County Master Gardeners, Mud Dogs Pottery, Coffee Creek Community Garden, Calhoun Family Fruit, and La Petite Ami for your sponsorship of the event!

And a special congratulations to the winners of the art contests:
