Join us in welcoming the newest face on Boistfort Street! The Chehalis Renaissance Team will be stationed on the Market Street entrance each Tuesday afternoon for the remainder of the season. The team members, made up of city officials and dedicated community members, will be available to answer your questions and hear your comments about the recently approved Chehalis Renaissance Action Plan and the future development of Chehalis and the downtown area.

The Market is pleased to be able to provide a regular meeting spot for community members to discuss how we can come together to recreate and further revitalize our local community! For more information on the Chehalis Renaissance Action Plan visit the city's website at: <http://ci.chehalis.wa.us/>
